NEW SEEDS: GROWING THE FUTURE OF BIODYNAMICS

Become a proud sponsor of the 2026 Biodynamic New Zealand Conference and help support the next generation of biodynamic visionaries.

On August 29th and 30th, 2026, Biodynamics New Zealand will bring together, fresh energy, bold ideas and inspiring voices from across Aotearoa for our Biodynamic Conference in the South Island.

The conference will be held at the Christchurch Rudolf Steiner School (19 Ombersley Terrace, Opawa, Christchurch 8023), this will be the perfect venue to shine a spotlight on the next generation; the passionate young practitioners and projects shaping the future of biodynamics in our country. We are currently working through finalising speakers and workshop options.

As a valued sponsor, your support will help us create a truly unforgettable event, covering essential costs such as catering, venue hire, and keynote speakers - whilst also ensuring that BDNZ continues to be the guiding force in providing education and guidance, safeguarding the biodynamic approach to agriculture and horticulture within New Zealand.

Together, we can make the 2026 Biodynamic Conference a transformative moment for our community and a celebration of what's to come.

Thank you for considering sponsorship. Read on to explore the opportunities available.
